

WE CAN'T DO THIS ALONE!

Life threatening contagious illnesses can only be prevented through organizational partnerships that work together to increase immunization coverage levels from infancy to adulthood.

If you would like to become involved with the Immunization Coalition of Los Angeles County (ICLAC), please fill out this response form.

Fax form to (213) 351-2780, or mail to:

IMMUNIZATION COALITION OF LOS ANGELES COUNTY

A Project of Community Partners

A community-based, county-wide
immunization coalition
for Los Angeles County

3530 Wilshire Blvd. Suite 700
Los Angeles, CA 90010
Tel: 213-351-7800
Fax: 213-351-2780

IMMUNIZATION COALITION OF LOS ANGELES COUNTY (ICLAC)

VISION *To have and maintain a healthy Los Angeles County community for all people.*

MISSION

To foster collaborative efforts to prevent vaccine preventable diseases.

GOALS

Increase overall immunization rates by 10% by 2009.

Reduce disparities in immunization coverage by 50% by 2009.

GUIDING PRINCIPLES

Collaborate through organizational partnerships to maximize outreach to communities at risk for vaccine preventable diseases.

Educate health providers to promote useful and timely public and provider information.

Improve access to care to decrease disparities across the lifespan.

Foster creativity and respect for diverse ideas.

OBJECTIVES

Diversify and expand membership in the Immunization Coalition of Los Angeles County.

Define and develop the coordination role among other coalitions.

Strengthen ICLAC's fiscal viability by seeking out and applying for grant proposals to support new and innovative immunization program initiatives in Los Angeles County.

Enhance recognition and visibility of the Immunization Coalition of Los Angeles County.

Expand ICLAC's role in advocacy efforts that affect immunizations in Los Angeles County.

Reduce disparities in immunization rates in Los Angeles County.

STRUCTURE

General Membership. A public/private partnership of schools, community clinics, vaccine companies, health plans, government agencies, businesses, community based organizations, and concerned individuals.

Meetings. Members meet quarterly to share information on best practices and participate on special committees to plan immunization outreach activities for Los Angeles County communities. No cost to attend meetings.

Steering Committee. Coalition members volunteer their time to serve and actively participate on the executive decision-making body of the coalition. The Steering Committee meets on a monthly basis and commits to a minimum of 2 hours a month.
